### How to get to **China Capital Toastmasters Club**

- You **MUST** arrive from the **East Gate** which faces the **Third Ring Road**.
- The entrance is next to a construction site where the new subway is being built.
- To the left of the entrance is a security station. (Officially, you are supposed to be pre-registered, but just walk through the gate as if you own the hotel, and no one will question you!) If you have any questions, call **Addy: 136-6126-0064**
- You will see a gray wall on your right.
- Walk along this wall until you pass a sign for “**Tandoori Indian Restaurant**” on the right.
- You will pass the **Zhao Long Youth Hostel** on your left.
- In front of you is an overhead bridge.
- Under the left side of this bridge is a large gold sign that says “**Administration.**” This is the door you enter.
- Go up one flight of stairs, turn right, walk down the corridor about five meters and you will arrive at the training room.
- Walk in the door, and you will be at the **China Capital Toastmasters’ Club**.
